

SENTIERRE TO DEBUT FLAGSHIP RESORT HOTEL & RESIDENCES IN IVINS, UT
A New Definition of Luxury

(Ivins, Utah) – For Immediate Release – Sentierre Hotels & Sanctuaries announced that the city of Ivins will be the site for the brand’s inaugural luxury resort hotel. *Sentierre Resort Hotel & Residences, Padre Canyon* will be built on a 43 acre parcel adjacent to Tuacahn Center for the Arts and will feature 105 luxe guestrooms and suites. The resort will offer a fine dining restaurant with several casual dining outlets, and a full service spa with fitness facilities and the signature Sentierre Sanctuary Well-being Program. An iconic walkway that winds through the resort grounds will link all the elements of the resort, including dining, activities, art exhibits, and three outdoor pools with water slides and splash pads. This walkway will create a village-like atmosphere at the resort to foster interaction and will also provide convenient access to Tuacahn and its activities and events. The hotel anticipates being open in 2018 for resort activities.

“We engaged in proprietary research to discover why people who can afford to travel anywhere in the world, often return to the same place every year for a vacation,” noted Stan Castleton, Sentierre Founder and CEO. “The Sentierre brand redefines what luxury means to all generations, offering an experience that provides a high level of service without pretense in an enchanting place where guests and families are able to connect with one another and with friends for years to come. Sentierre presents a new way to experience true luxury”.

Sentierre Resort Hotel & Residences, Padre Canyon will include 42 Villas with four floor plans that are now available for purchase. Designed by acclaimed architects, Allen+Philp, these wholly-owned, modern private residences are thoughtfully designed to capture the unique views of Padre Canyon, and feature open design living-dining-kitchen areas with fireplaces, plentiful natural light, 4 to 5 bedrooms, and extensive outdoor rooms. In addition to access to the Resort’s 5 star services and amenities, owners of the luxury Villas will enjoy distinct owner privileges.

Ground breaking is anticipated to take place at the Sentierre Ivins development this spring. Sentierre’s Discovery Center is open at Ancestor Square in St. George where additional information about the resort hotel, sanctuary and residences may be explored.
